

Padilla All Season Services
Lawn Care & Grounds Maintenance

Lawn Care Scope of Services

- **SPRING & FALL CLEANING:** Mowing, Trimming, Leaf Cleaning, Cutting back perennials and ornamental grasses, Haul away and dispose of old vegetation & debris.
- **SUMMER MAINTENANCE:** Mowing & Trimming. Checking Property Making sure everything is looking its best. Approximately 26 times per season. (March thru October)
- **AERATION/EDGING: Aeration:** Involves perforating the soil with small holes to allow air, water and nutrients to penetrate the grass roots. **Edging:** The process of cleaning up all that extra lawn growth that makes your driveways and sidewalks look sloppy.
- **POWER RAKING:** Power raking involves using fixed knife-type blades Power raking removes dead debris and crust that can build up on a lawn over winter. During spring is best
- **OVER SEEDING & NEW SEED:** **Over seeding** is the planting of grass seed directly onto existing turf or the soil, easy way to fill in bare spots, improve the density of turf, establish improved grass varieties and enhance your lawn's color.
- **FERTILIZING & WEED CONTROL:** Grass should be fertilized 3x per year.. spring, mid-summer and fall. With [fertilizer](#) or [herbicide](#) combination. It is used on lawns to prevent certain weeds from germinating or to kill certain existing [broadleaf](#) weeds (post-emergence). ***ORGANIC SPRAYS AND FERTILIZERS - UPON REQUEST**
- **PRUNING/TRIMMING: Trimming:** essentially applied too shrubs and hedges, **Pruning:** meant for tress and shrubs. Both services are performed at different times using different

equipment to make the garden aesthetic and healthy. Pruning of Shrubs & Trees less than 10ft tall, perennials and decretive grasses should be done 3x Spring, Mid-summer and Fall.

- **GUTTER CLEANING:** Cleaning out gutters around the perimeter of building or home. Checking to make sure all drain spouts are not clogged and clear of any debris. Check for any damages and let customer know of any problems.
- **HAULING:** Removing of lawn debris & Rental clean outs. We also haul in **MULCH, ROCK & DIRT.**
- **SEEDING: Spot seeding:** is applying grass seeds to bare patches in your lawn. **Reseeding:** is applying grass seed to large swaths of ground, perhaps your entire yard. **Over seeding:** is spreading additional grass seed over an existing lawn, for a lush, fuller appearance.
- **SPRINKLER SYSTEM:** System Management will be performed and billed through our contractors
- **MULCH & ROCK:** We replace or add Mulch and Rock to your existing landscaped areas. We carry a variety of products to choose from.
- **DITCH BURNING:** Acreage Property ditch burning. Permit is required by home owner through their county before work is to be completed.

- **SNOW REMOVAL & DE-ICING** Removing Snow from walkways and driveways or parking lots. We can use shovels, snow blowers, Quad w/ plow, or truck w/plow when needed. De-icing upon request
